Why LVL Evictions? LVL has the knowledge, attention to details, years of experience, and staff needed to aggressively prepare and plead (argue) your case before the Judge.

LVL knows how to address (focus) the Court’s and Judge’s attention, and how to defend against the Tenant, Occupant, Squatter accusations.

LVL does **not** have a crystal ball, to see what the Tenant, Occupant, or Squatter will do, but LVL can react, collect, prepare, and file the needed responses, with the Court, to protect the Landlord.

LVL will determine which Tenant, Occupant, Squatter accusations need to be answered, so the Judge will be knowing those accusations are **false**, and here are the facts and truth.

LVL HANDLES THE APPEAL +*

The 8th District Court (DC) is the highest Eviction Court in Nevada.

Why Appeal? Tenants, Occupants, and Squatters **may** file an Eviction Appeal, because they hate the Judge, Court, or just wants to **bully** the Landlord into giving up on the eviction to let them stay. **Do not worry.** LVL can handle the Eviction Appeal also.
